TO PANDA
MANY YEARS
HAVE GONE BY
AND I'M GLAD
WERE STILL FRIENDS,
YOU MAY NOT BE MY
HOMEGIRL EVEN THOUGH
I CONSIDER YOU MY HOMIE
BUT THAT'S NOT GONNA STOP ME
FROM BEING GOOD FRIENDS WITH
YOU, EVEN THOUGH YOU ACT STRANGE.
WELL MARIE THIS IS YOUR LAST YEAR
HERE AT SCHOOL AND WHAT HAPPENS
YOU GET KICKED OUT FOR CARRYING
A WEAPON, NOW WHY DID YOU HAVE TO
do that. STAY OUT OF TROUBLE CAUSE YOU
YOU'LL GET YOUR SELF IN A MESS
IN WHAT EVER YOU do GOD BLESS
oh YAH! YOU GOT SEXY LEGS
KEEP ON [illegible] LEGS
AND DON'T STICK YOUR LEGS
OUT THE CAR WINDOW NO MORE.
FRIENDS
FOREVER,
Alounda Garcia

P.S. If you ever need back up, just call me 921-3784

To maintain good standards, a teacher must take time out and see to an individual's needs. We dedicate this year's yearbook to a man who does just this. He has been at John Glenn since its beginning in 1962. During this time, he has coached the Varsity Baseball team and lead them to CIF on more than one occasion. His interest in the education and well-being of each John Glenn student is unsurpassed. This man who stays behind the scenes but deserves the spotlight is Mr. Art Jessup. To the man of the year, we thank you for a job well done. You are still doing fine in "79".

Janet Massie and her dad greeted Art and Mr. Jessup

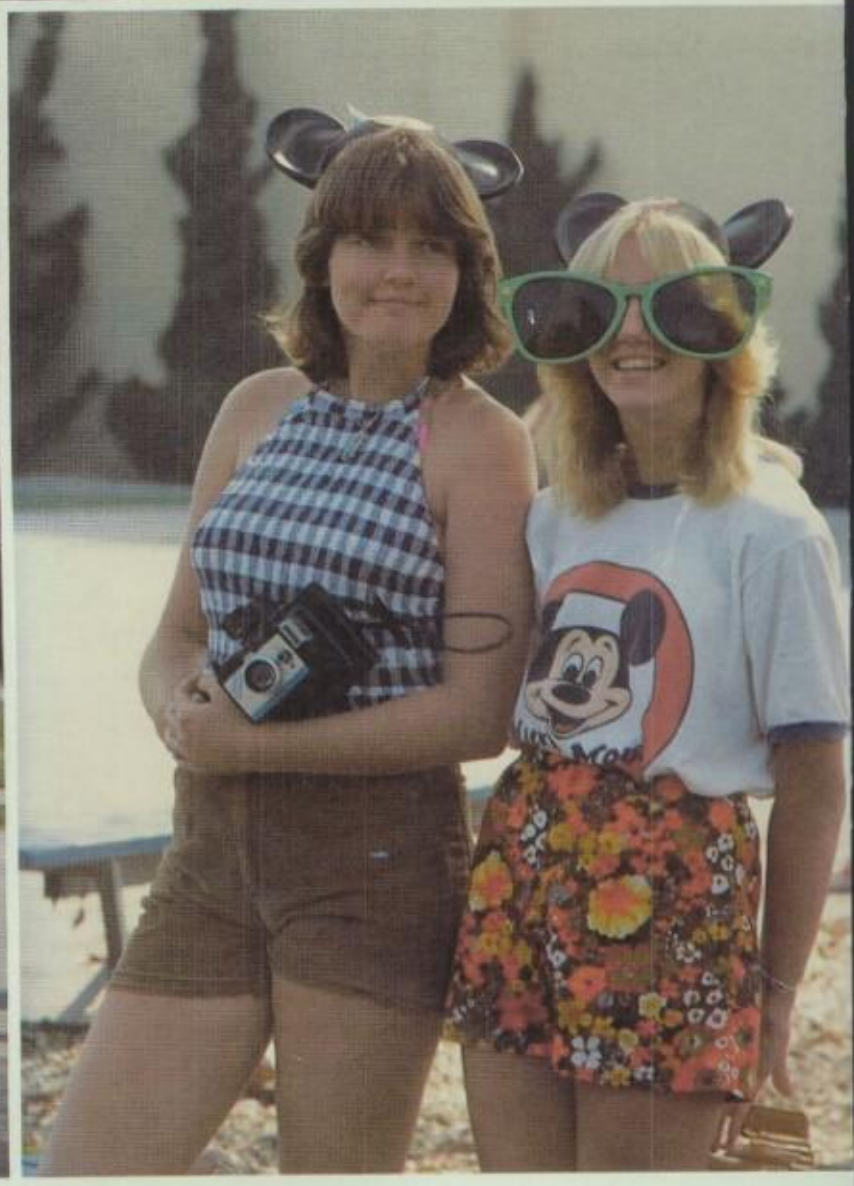
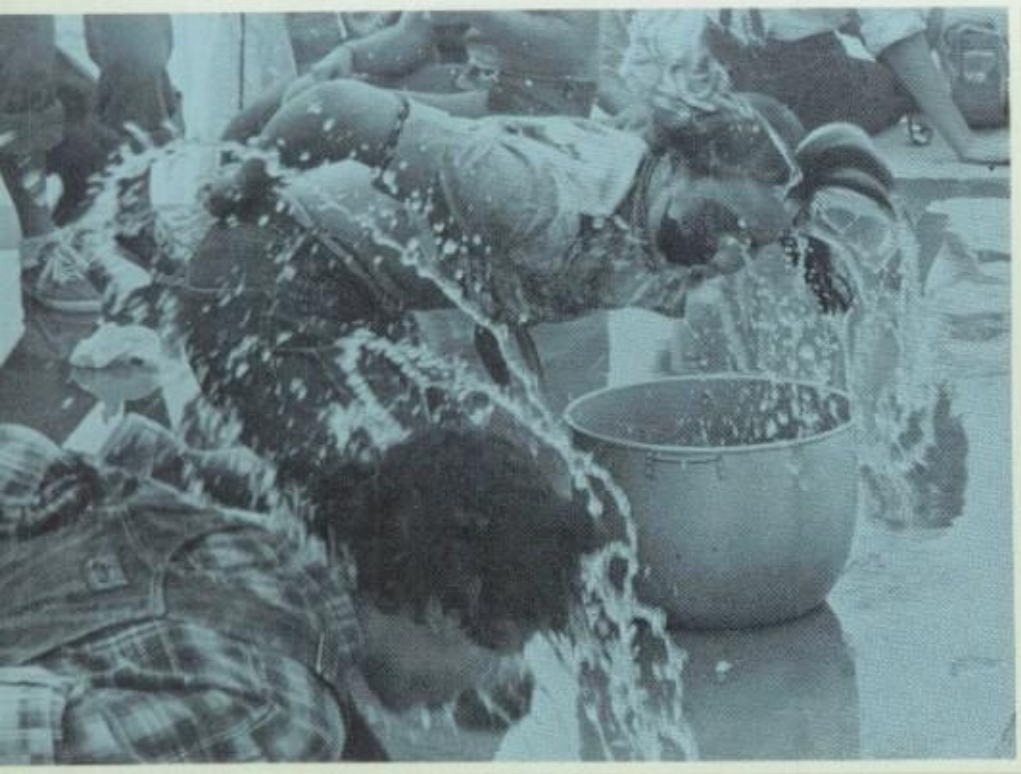
GALA EVENT

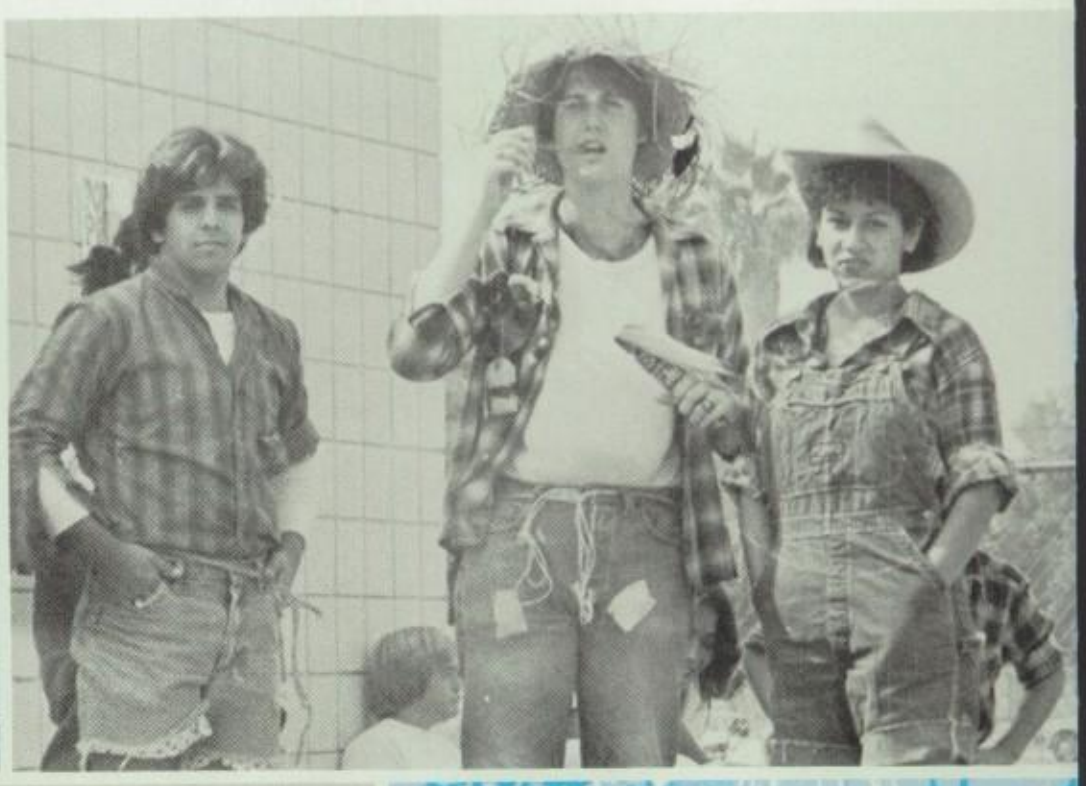


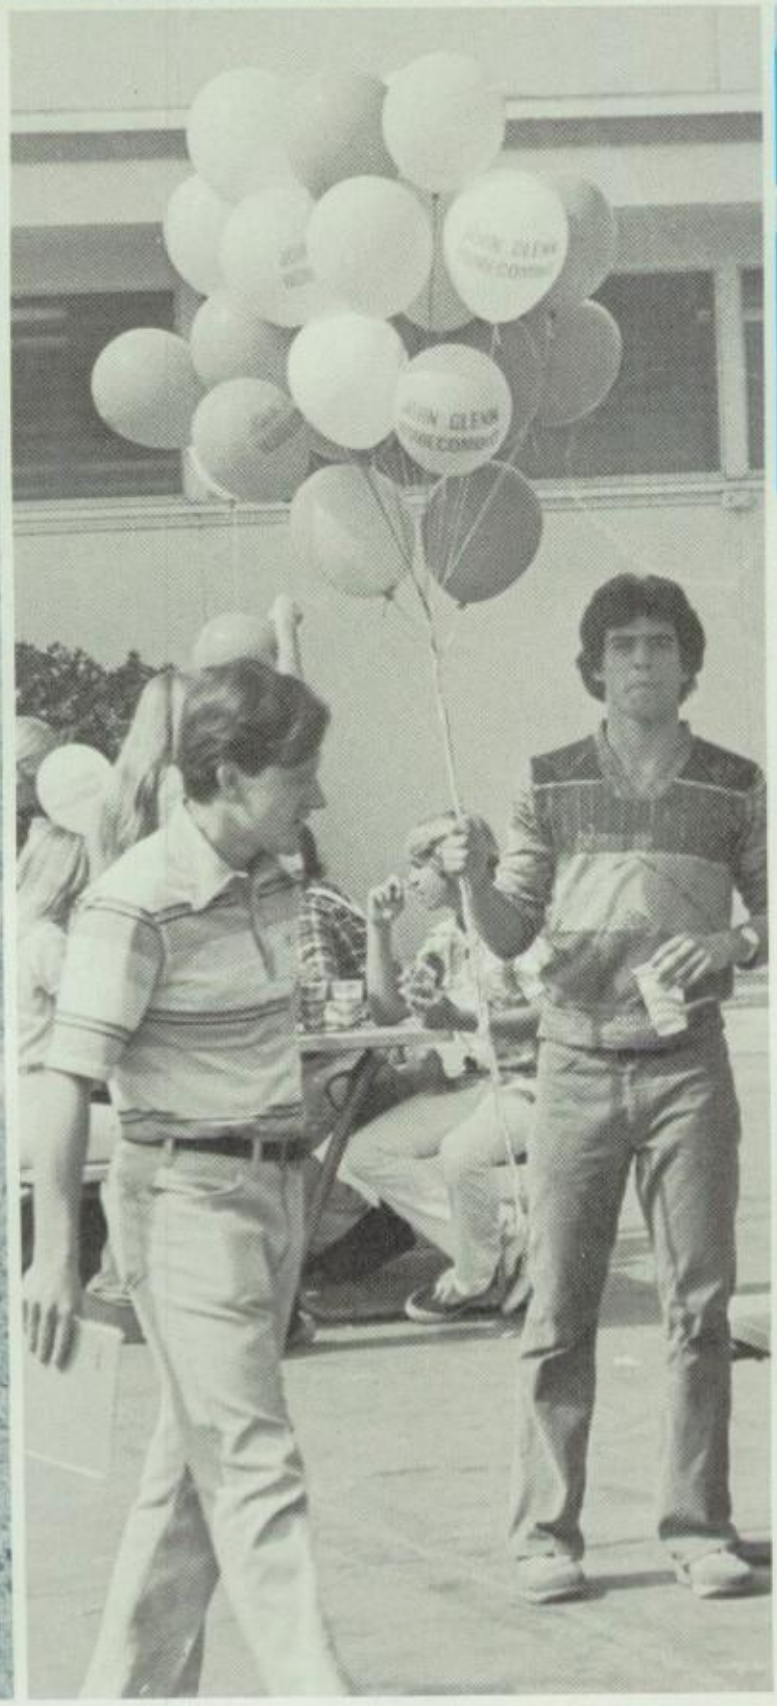
Tourists

Twins

Hillbillies







The weekend sped by and the Monday morning blues started to set in, when all of a sudden the campus looks like an Amusement Park filled with tourists. "Now who in the world would come to school for a vacation?" It's none other than the spirit filled students celebrating the 1978-79 Homecoming Week. Monday, if you haven't guessed, was tourist day. Tuesday was twin day. On Wednesday the students brought the down home country feeling to Glenn by dressing as hillbillies. When Thursday came, everyone was ready to move to the 50's beat. By Friday you could feel the excitement in the air as everyone showed their spirit by wearing the school colors. The excitement came to a climax on Friday night as last year's queen Andrea Aguilar crowned Lydia Sanchez as this year's Queen. Queen Lydia Sanchez's court consisted of Angie Bowen, Julie Santoyo, Karen Watson and Tammy Yearta. But the odds soon turned against us as the Monsoons defeated us, 22-0. Homecoming gave everyone the chance to be crazy, but it really shows the school spirit and pride that Glenn students have always had and still have.

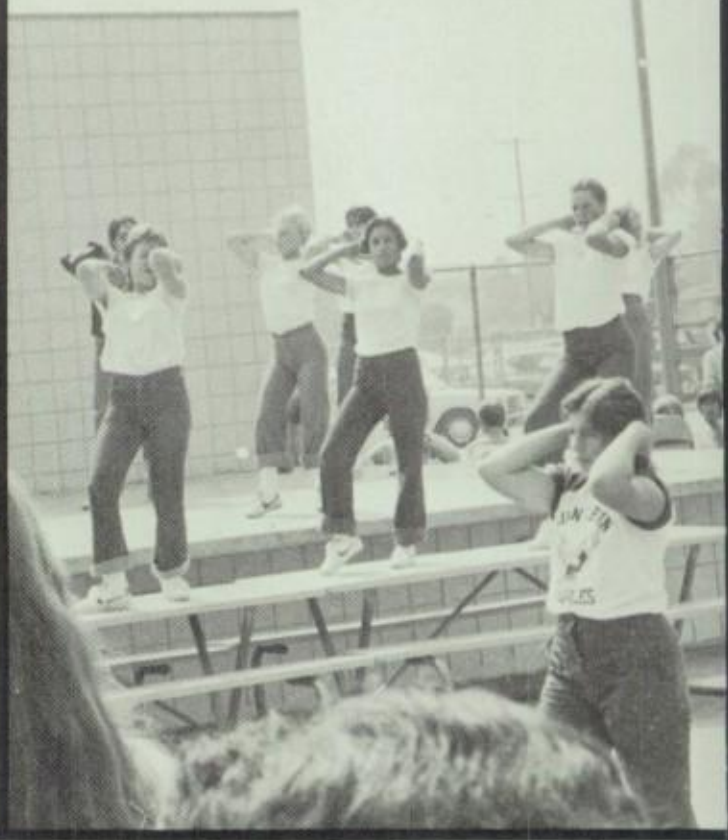
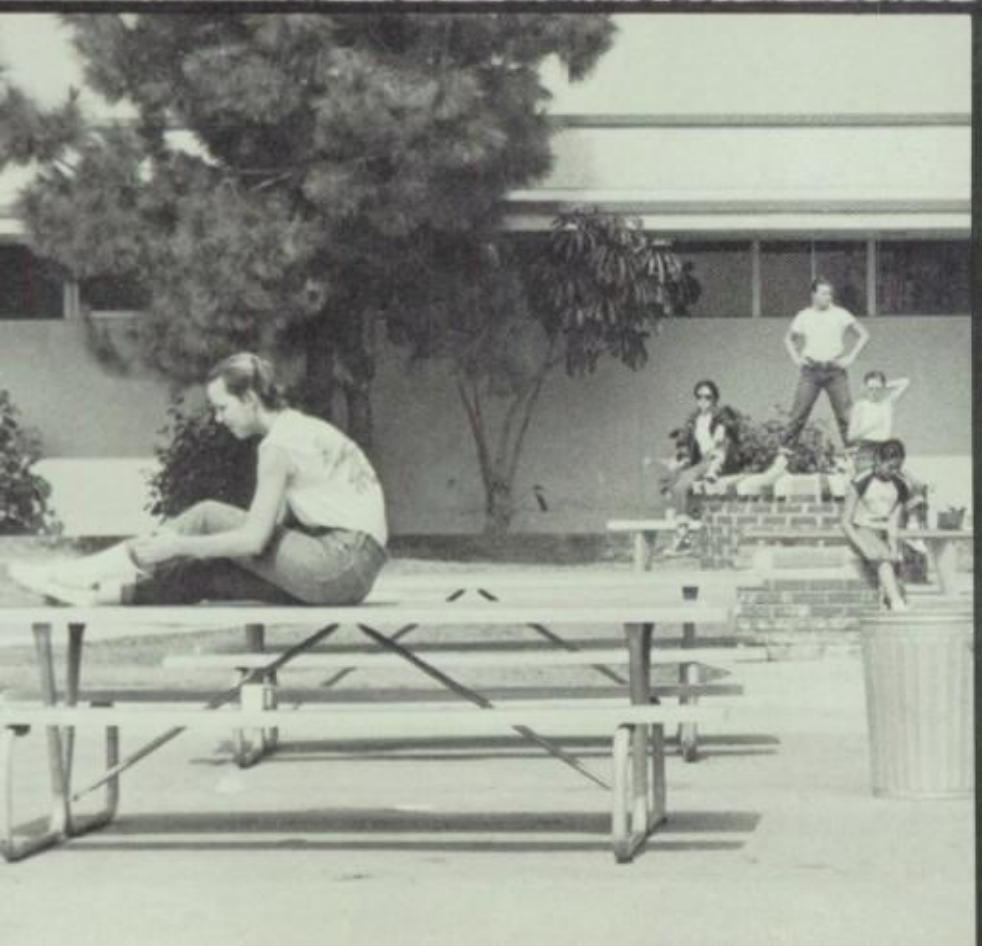
PEP RALLIES





Our Pep Units really outdid themselves this year. From summer camp, Varsity Yell brought home the Superior Trophy, Song the Spirit Stick, and J.V. the Excellent Trophy. The highest honor, "The Unity Award", was presented to the group as a whole. In their first competition at Arroyo H.S., Varsity Yell took the second place trophy. As for Pep Rallies, we had everything from a close encounter from space to the Trojan horse, along with occasional appearances from those famous M.A.M.S. Brothers. The Tut rally still went on even though Steve Martin couldn't make it, and who could forget the day that we returned to the fifties. This year crowd involvement and spirit hit and all time high!!!!!!!

HOWDY DANCE

The crowds were stirring outside as they anxiously awaited the opening of the doors of the annual Howdy Dances. Everyone got to meet new classmates and visit with their old friends as they stood around waiting for the first couple to get up and dance. When the dances were over everyone was exhausted. In spite of the fact the dances were in the cafeteria, they all left with smiles on their faces. We hope next year's Howdy Dance will be as big of a success as these were.

HALLOWEEN

A school of ghouls? A town of clowns? Hardly! We at John Glenn are just celebrating Halloween in our own special way. Everyone from Darth Vader to the Bride of Frankenstein, not to mention two oversized bunnies and the surgery rejects from M.A.S.H. We all had a devilish good time. Why even the faculty got into the spirit of it. This only goes to show you some people will do anything for attention and you better believe they get it!

CHRISTMAS DANCE

This year everyone enjoyed "Sharing the Night Together" at the Christmas Dance. The dancing was done to the music by "Between the Lines." Can you believe it there was actually room to dance! The dance was highlighted as Darci Bolles was named 1979 Christmas Dance Queen.

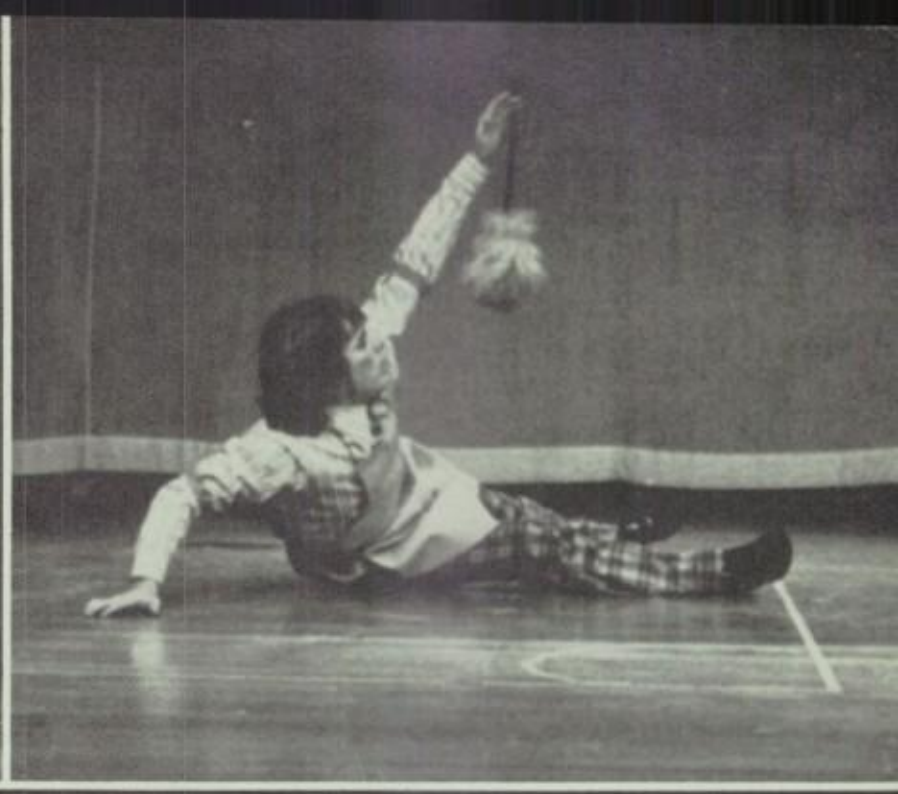
"THE SUMMER PEOPLE"

The two principal characters are kindly people of retirement age who, on an impulse, decide to break a long standing taboo - linger at their summer cottage after the Labor Day weekend. The action of the natives in this rural New England village is one of unspoken shock and silent hostility. One by one, the villagers isolate the couple. The falling of the final curtain is both chilling and sinister.

"THE SUNDAY PAINTER"

For the first time on the John Glenn stage the drama department has put on an original play no less. A "melodrama". Here's where the audience can get into the act by hissing the villian, Mr. Vile Villian, and cheer the hero, Mr. Harold Hero. We even have our own honky tonk piano player, Alan Crawley. With names like Bianka Goodley and Lola Lollipop how could anyone miss recognizing our terribly DRAMATIC actors in this suspenseful, spine tingling show.



E SUNDAY PAINTER THE SUNDAY PAINTER THE SUNDAY PAINTER THE SUNDAY PAINTER THE SUNDAY PAINTER THE SUNDAY PAINTER THE SUNDAY PAINTE

CHILDREN'S THEATRE

Once again we travel into the land of fantasy. Three shows are being produced this year. Our first melodrama we've ever done will be seen by not only the elementary grades but will be produced for our school also. It is an original play called "The Sunday Painter". In addition we have our standard fare - 2 fairy tales - "The Little Peasant" and "The Frog Princess". We always enjoy performing for a very special group of children each year, the mentally and physically handicapped. This year we were delighted to travel to all of the elementary schools in our district that have special educ. programs.

JOYCE SHARP HYPNOTIST

It was a strange and mysterious day at John Glenn when the entire student body witnessed a HAPPENING in the gym. Glenn students, on stage, were singing and dancing and driving cars that went nowhere. Even Charlie's Angels were present. Why were these students doing these strange things? Because they were hypnotized by the reknowned Joyce Sharp. This assembly proved to be even more hilarious than the first time we were visited by a hypnotist two years ago.

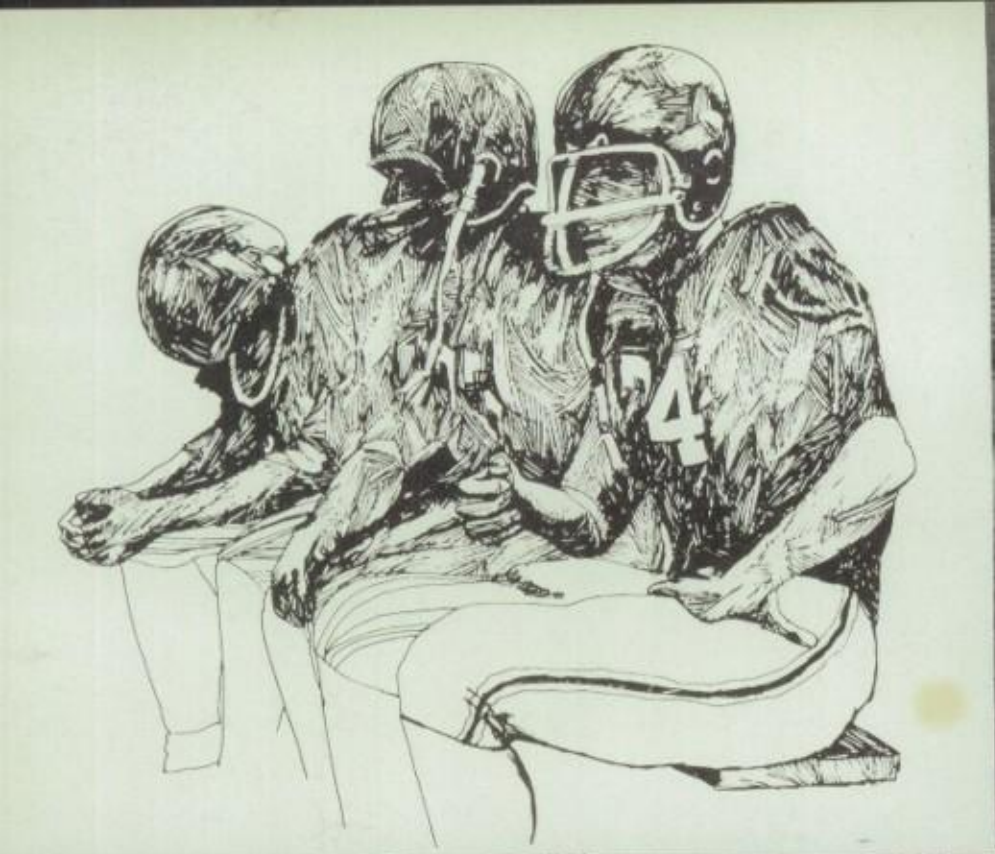
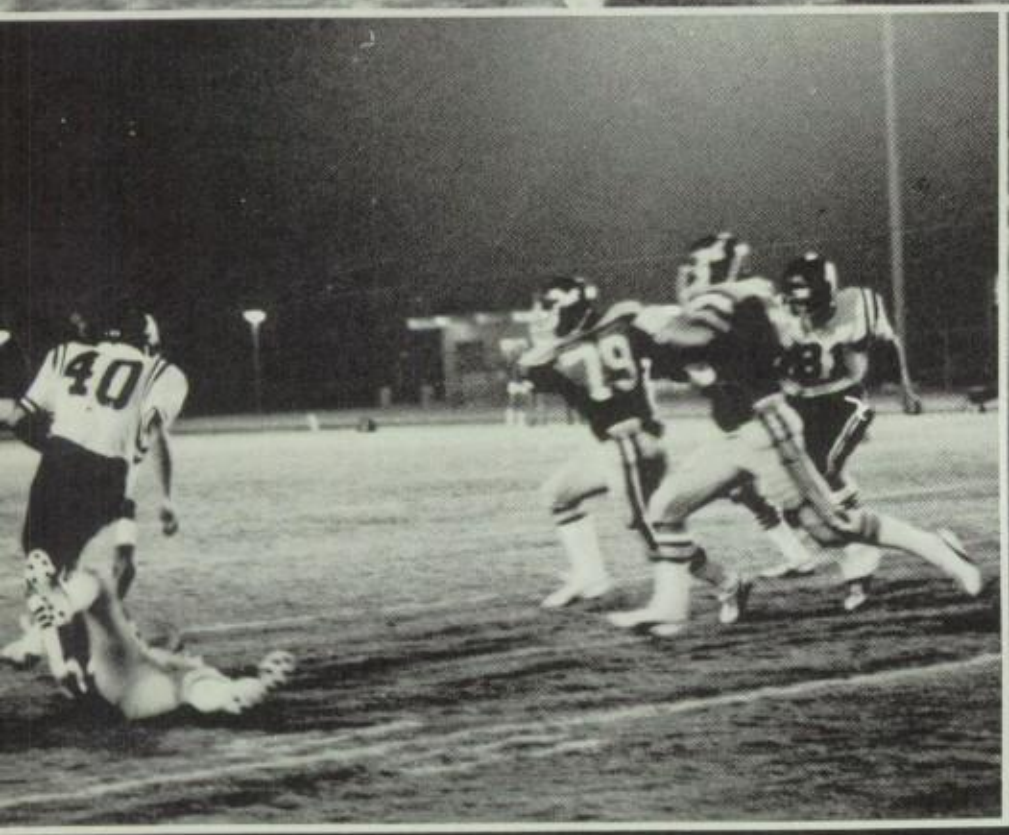
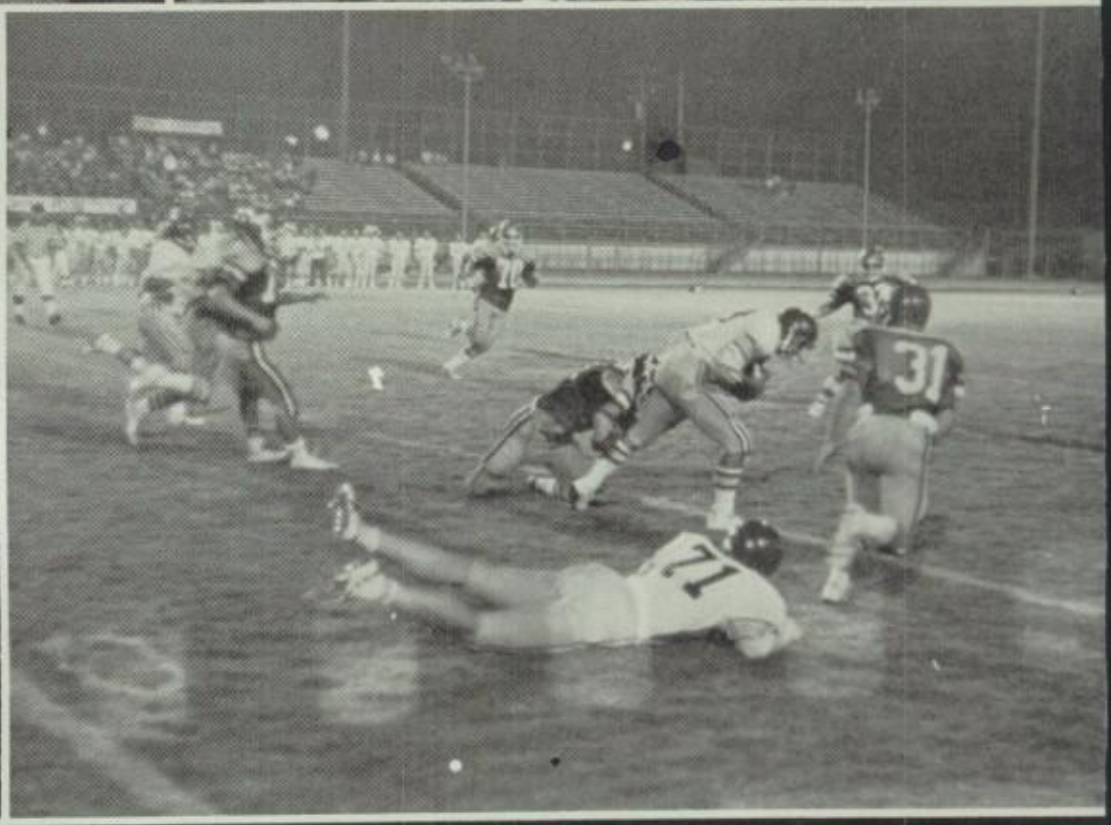
STUNT PEOPLE







BOYS' SPORTS

The 78-79 season proved to be no different than any other year. The team tried its hardest but just couldn't get it together. They finished tied for fourth with three wins four loses. One of the highlites of the year was the many honors Gary Blackwell won including L.A. Times Lineman of the Year. We are also proud of Tim Wilt for making the L.A. Times second team. We wish next years team much success in their season.

SPIRIT WEEK

Practice make perfect! As you can see, most of our participants in Spirit Week had pretty good aim. Even Mr. Usher got into the act.

We had some very interesting costumed characters on campus throughout the week. Too bad for the foul weather, but the John Glenn Students' spirit wasn't dampened. It was a well attended Sadie Hawkins Dance. A fitting end to the week's activities. The participation of our faculty this year was above and beyond the call of duty if you saw them in the Pie Throwing Booth or caught them being turned on "The Rack".

"Hollywood"
Part 2

Most city lights are dimmed by two
And night clubs closed and dark.
The city streets are empty;
The theatres hushed and stark.

Early morning passes quickly;
Our dreams all end too fast.
We barely remember anything
From the night so recently passed.

The morning sun arises
To warmly wake the town,
And shortly the streets are crowded
With people all around.

This celluloid image of fantasy
Brings us gaity and tears.
Many moments are held forever
In Movieland's 75 years.

One who has not left us
For 50 glorious years
Is Mickey Mouse, the Cartoon King,
And all his Mousketeers.

Hollywood is animation.
As colorful as it may be
The life is one of high times
And lost realities.

When you leave for tinsel town
Make sure you don't forget,
Happiness is not a town,
It's the people you have met.

WE BID YOU SWEET ADIEU WE BID

YOU SWEET ADIEU WE BID WE BID YOU SWEET ADIEU

We all had our moments this past year, both good and bad, but no matter how we spent our time, we all have the memories to cherish forever. In the years to come, we will find that these are the good old days where our friends were plenty and time could be spent any way we wanted to spend it. Our only hope for everyone is that we wish the best for every student and faculty member. May your lives be filled with happiness and prosperity for we are the generation to come and we must learn from all mistakes made in the process of our growing up. This will make or break us, but we are strong and we are wise. Let us all join hands and work together and make this the happiest moment of our lives, whether we are close are far, rich or poor. We are the Class of 1979 and forever we will be grateful just for the memories.
